## Important Info

### Cultural Homework

Yesterday your child should have brought home a Social Studies homework assignment about cultural traditions. We are learning about how where we live and where are families are from determine our culture. Please work on this with your child and talk about your family's cultural traditions. The information your child brings back does not have to be on the sheet I sent home. Please feel free to be creative with this assignment. I would also love if you could include any pictures you may have of cultural dress, food, etc. This is due on Friday, Oct. 5. Please let me know if you have any questions.

### Lexia and Pathblazers Training

Mrs. Connolly will be leading a training for parents this Thursday, October 4<sup>th</sup> from 3:30-4:30 pm. Please let me know if you will be coming so I can let her know how many to expect.
